

American Society of Agronomy

2026 American Society of Agronomy Election Results

President-Elect

Thomas M. DeSutter, North Dakota State University

Diversity, Equity, Inclusion (DEI) Member-at-Large Board Representative

Gaurav Jha, Kansas State University

Education and Extension Section Board Representative

Angela R. Post, North Carolina State University

Finance Board Representative

Kathleen M. Yeater

Global Agronomy Section Board Representative

Eeswaran Rasu, Michigan State University

Graduate Student Board Representative

Analeese J. Brewster, West Texas A&M University

Agronomic Production System Section Vice Chair

Deepak Raj Joshi, Kansas State University

Biometry and Statistical Computing Section Vice Chair

Zhanyou Xu, USDA-ARS

Climatology and Modeling Section Vice Chair

Qingwu Xue, Texas A&M AgriLife Research

Education and Extension Section Vice Chair

Lauren R. Geiss, Ohio State University

Environmental Quality Section Vice Chair

Davie Mayeso Kadyampakeni, University of Florida

Global Agronomy Section Vice Chair

Shuyu Liu, Texas A&M University

Land Management and Conservation Section Vice Chair

Shalamar D. Armstrong, Purdue University

Advancing Agronomy via Public-Private Collaboration Community Vice Leader

Mala Ganiger, North Dakota State University

Agroclimatology & Agronomic Modeling Community Vice Leader

Prakash Kumar Jha, Mississippi State University

Agronomic Solutions for Smallholders Community Vice Leader

Christianah T. Oladoye, University of Guam

Airborne & Satellite Remote Sensing Community Vice Leader

Ayush Kachrual Sharma, University of Florida

Animal Agriculture & the Environment Community Vice Leader

Eduardo Samuel Garay, University of Minnesota

Applied Soybean Research Community Vice Leader

Ana Julia Paula Carcedo, North Dakota State University

Applied Wheat Research Community Vice Leader

Dennis Pennington, Michigan State University

Beneficial Reuse By-Products in Agriculture Community Vice Leader

Sayantana Sarkar, Texas A&M Agrilife Research

Biochar: Agronomic and Environmental Uses Community Vice Leader

Tera Lewandowski, American Biochar Institute

Bioenergy Systems Community Vice Leader

Simranjot Kaur, University of Florida

- Bioinformatics in Crops and Soils Community Vice Leader**
Vishal Singh, Oregon State University
- Biophysical Measurements and Sensors Community Vice Leader**
Sasha Ivans, LI-COR Biosciences
- Cotton, Hemp, Flax, and Other Fiber Crops Community Vice Leader**
Eric Billman, USDA-ARS
- Cover Crop Management Community Vice Leader**
Xue Bai, University of California-Davis
- Crop Irrigation Strategies & Management Community Vice Leader**
Hemendra Kumar, University of Maryland
- Evapotranspiration Measurement & Modeling Community Vice Leader**
Sayantan Sarkar, Texas A&M Agrilife Research
- Extension Education Community Vice Leader**
Reagen Tibbs, Illinois County Extension
- Global Climate Change Community Vice Leader**
Sk. Musfiq Us Salehin, New Mexico State University
- K-16 Education & Outreach Community Vice Leader**
Mala Ganiger, North Dakota State University
- Long-Term Agricultural Research Community Vice Leader**
George Cody Bagnall, Donald Danforth Plant Science Scenter
- Managing Denitrification in Agronomic Systems Community Vice Leader**
Zihao Zhang, Cornell University
- Model Applications in Field Research Community Vice Leader**
Eeswaran Rasu, Michigan State University
- Nutrient Management Professionals Community Vice Leader**
Sapana Pokhrel, University of Delaware
- Nutrients and Environmental Quality Community Vice Leader**
Jeppe H. Kjaersgaard, Minnesota Department of Agriculture
- Organic Management Systems**
Virginia Moore, Cornell University
- Perennial Grain Development Community Vice Leader**
Leo Deiss, Colorado State University
- Precision Agriculture Systems Community Vice Leader**
Guillermo Raul Balboa, University of Nebraska
- Semi-Arid Dryland Cropping Systems Community Vice Leader**
Sushil Thapa, West Texas A&M University
- Sensor-Based Nutrient Management Community Vice Leader**
Ravinder Singh, University of Arkansas
- Soil & Water Management Professionals Community Vice Leader**
Brajesh Kumar, ICAR – Central Soil Salinity Research Institute
- Soil Carbon and Greenhouse Gas Emissions Community Vice Leader**
Asmita Gautam, Cornell University
- Soil Health Community Vice Leader**
Carlos Augusto Bonini Pires, North Dakota State University
- Spatial Statistics and On-Farm Research Community Vice Leader**
Louis Longchamps, Cornell University
- Sustainable Intensification Community Vice Leader**
Gagandeep Kaur, Washington State University
- U.S.-Sino Agricultural Research Forum Community Vice Leader**
Vindya Sabbineni, Texas Tech University
- Weedy and Invasive Plant Species Community Vice Leader**
Rakesh Ghosh, Auburn University
