

SASES

Students of Agronomy, Soils,
and Environmental Sciences

American Society of Agronomy | Crop Science Society of America | Soil Science Society of America

Undergraduates,

The Annual Meetings are just around the corner. This year the undergraduate meeting program will include an evening riverboat cruise, a dance, keynote speaker Miss America 2012, Teresa Scanlan, and many sessions to help you prepare for your future. There is also a selection of exciting tours for undergrads that begin early Saturday morning - plan your travel with them in mind.

Student Contests

The last deadline to sign up for student contests is fast approaching. Talk to your clubmates and advisors about registering for the Quiz Bowl, Speech Contest, Visual Presentation Contest, and the President's Trophy Contest today. [Click here for contest details](#).

Career Center and Grad School Forum

The Career Center is an excellent opportunity to set up job interviews with many of the country's top Agronomy, Crop, and Soil companies all in one place. Stop by the Career Center between 3pm and 6pm on Monday October 22 for a gift and a chance to win one of two \$50 Amazon gift cards. More information is available at www.careerplacement.org.

At the Grad School Forum, gather information and talk to representatives from grad schools you're interested in attending. You can view the [current list of schools registered to attend here](#). If there's a school you'd really like to see at the forum that isn't signed up yet, [let us know](#).

Student Interns

Would you like to earn a little money while attending the Annual Meeting? Sign up for a student internship shift. You can sign up to work one or two four-hour shifts for \$50 per shift. [Sign up today](#).
