Nutrient Loss Assessment and Prevention Community

In the ASA Environmental Quality Section

Community Purpose:
This community brings together research scientists, policy makers, and extension personnel to develop and promote innovative solutions to understand and prevent nutrient losses from agricultural and urban landscapes.

Presiding Leader: Nathan Nelson, nonelson@ksu.edu
Vice Leader: Amy Shober, ashober@udel.edu

Join a Community by visiting My ASA Communities page at: www.agronomy.org/account/communities/asa
