SASES Tours | Salt Lake City Utah
Saturday, November 6, 2021 | Tours Depart SPCC, South Entrance

SASES Tour #1: Water, Water (and Salt) Everywhere! | Departs 6:30 AM  Returns 5:00PM
Utah is known for its salt rich natural landmarks including the Bonneville Salt Flats and the Great Salt Lake. This tour will allow students to explore these two major landmarks & learn about their impact on the surrounding agriculture. This tour includes a 1-mile total hike which includes a 400 ft total altitude change, please dress accordingly and wear closed toe shoes.

SASES Tour #2: The Science of Utah | Departs 6:30 AM  Returns 5:00PM
The Science of Utah tour highlights the incredible science and research conducted in Utah surrounding agriculture and the environment. Visit soil pits, tour greenhouses, and visit the USU Robotic Dairy farm! Join us for a guided walking tour of the Natural History Museum with the chance to chat with the researchers behind the collections. Please wear closed toe shoes.

SASES Tour #3: Brrr, It’s Cold Out There … Into the Greenhouses We Go! | Departs 7:00 AM  Returns 4:30PM
Get ready to learn about plants and distribution on a large scale, sustainable practices to produce animal feed, and the process of taking grain and turning it into an enjoyable beverage. This tour includes a stop at a distillery for attendees over 21. If you are under 21, you will be escorted to a tour the Natural History Museum instead. Please bring state ID or Passport.

SASES Tour #4: 3C: Chocolate, Cannabis, and Cows! | Departs 6:30 AM  Returns 4:30PM
Spend the whole day at Utah State University and visit the university's innovative chocolate lab and taste-test the chocolate made on site, learn about equine population control measures, visit the robotic dairy farm, and meet the great agriculturalist, Dr. Bruce Bugbee. Dr. Bugbee will tell us about his cannabis research and the booming hemp industry.

**Featured Sessions**

**Hot Topics with the Experts**

**Sunday, November 7, 3:30-5:00 PM | SPCC, 255 A**

Come join this session to learn more about current hot topics facing the industry. Leading professionals will each share a 10-15 minute overview on a certain topic, and offer a 5 minute question and answer session.

- Understanding Carbon Markets
- Soils and Fire
- Technology in Agriculture

**CCA and CPSS Career Accelerator Round Table**

**Monday, November 8, 10:00 AM-12:00 PM | SPCC, 251 AB**

Jumpstart your career! This roundtable is an interactive session for undergraduates who are considering working in the field of Agronomy after graduation. Meet Certified Crop Advisers and Certified Professional Soil Scientists to find out how they got where they are. Bring along questions about how to prepare, network, and succeed in the agronomy world.

**Graduate School Workshop for Undergraduates**

**Monday, November 8, 9:30 AM-11:30 PM | SPCC, 251 DE**

Thinking about applying to grad school or heading off to grad school soon? Come get advice on how to succeed in graduate school from a panel of experts.

**Career Fair—Passport to Your Career!**

**Monday, November 8, 3:00-6:00 PM | SPCC, Exhibit Hall B**

The Annual Meeting is a great place to make connections, build your job search skills, and have some fun! First, stop by the Society Center’s Career Center area in the Exhibit Hall, Pick up your “Passport” Card and begin your journey. Complete six activities, return your card, and you’ll be entered into the backpack drawing. Dress to impress and bring multiple copies of your resume to prepare for networking and workshop opportunities. Activities include:

- Career Mini-Sessions - Join USU Career Coach Marissa Armitstead in Hall 1 for three 30-minute Professional Development Mini Sessions and Peer Workshops!
  - 3:30 PM - Learn how to make a “WOW” resume
  - 4:00 PM - Stand out during your job search
  - 4:30 PM - Developing your LinkedIn Profile
- Professional Headshots (space available)
- Wonder who is hiring? Look for employers with balloons at their booths and search the job ads posted by employers on the job boards
- Visit a Grad School Booth and talk to a university representative
- Have fun in the Field of Fun and play the Backpack “Key” game
- Talk with Science Policy and Publications staff
- Introduce Yourself to Someone You Don’t Know
